AMENDING ADDENDUM NO. 4 AMENDMENT TO THE 1977 COMMUNITY DEVELOPMENT PROGRAM, REDUCING THE TRANSFER OF $257,302 TO THE FEDERALLY ASSISTED CODE ENFORCEMENT (FACE) PROGRAM FROM THE REHABILITATION ASSISTANCE PROGRAM (RAP) IN THE AMOUNT OF $28,000, FOR THE PURPOSE OF OBTAINING AN IRS RULING ON THE TAX EXEMPT STATUS OF RAP BONDS IN THE NORTH OF MARKET RAP AREA.

WHEREAS, under Resolution #747-77, the Board of Supervisors approved the transfer of $283,302 from the Rehabilitation Assistance Program (RAP) Reserve to the Federally Assisted Code Enforcement (FACE) to fund contingent relocations due to the availability of RAP loan financing in the phasing out of the program; and

WHEREAS, the number of relocations under the FACE Program's phase out were overestimated, and

WHEREAS, when the 1978 RAP CD Budget needs were developed, the following obligation was not considered due to the unavailability of information; and, it is now apparent that funding will have to be made available to cover the following additional operational expenditures:

(A) The City Attorney's Office has determined that a ruling from the Internal Revenue Service will be required before bonds can be issued to fund RAP loans in the North of Market area. Additional funding will be required for expenses associated with obtaining this ruling; and

WHEREAS, also, it is in the best interest of San Francisco that these funds be made available so the North of Market area can be implemented, now, therefore be it

RESOLVED, that the Board of Supervisors does hereby approve the reduction of $28,000 from Addendum #4 Amendment to the 1977 Community Development Program with its associated re-allocation and transfer to the Rehabilitation Assistance Program (RAP) for the purpose of obtaining an IRS ruling on the tax exempt status of RAP bonds in the North of Market RAP area.

FURTHER RESOLVED, that the resolution authorizing the issuance of bonds to provide residential rehabilitation loans in the North of Market RAP area shall provide that the costs of issuing the bonds, including obtaining the IRS ruling, may be paid out of bond proceeds.

FINDING THAT THE PROPOSED SUBDIVISION MAP OF 2155 BUCHANAN STREET IS CONSISTENT WITH THE MASTER PLAN, AND DISAPPROVING ACTION OF DEPARTMENT OF PUBLIC WORKS IN DISAPPROVING TENTATIVE MAP FILED IN CONNECTION THEREWITH, SUBJECT TO CERTAIN CONDITIONS.

WHEREAS, A tentative map for a ten unit condominium conversion subdivision, dated October 1978 was referred to the Department of City Planning for review pursuant to the provisions of Section 1325 of Chapter XIII, Part II, San Francisco Municipal Code (Subdivision Code) on the property described as follows:

2155 Buchanan Street, Lot 1, in Assessor's Block 637; and

WHEREAS, On November 9, 1978, after a public hearing, the City Planning Commission adopted Resolution No. 8107, finding the condominium conversion subdivision to be not consistent with the Master Plan, as the conversion would decrease the availability of the rental housing stock of the City and further increase the cost of rental housing, and would add to the spiraling cost of housing; and

WHEREAS, On November 16, 1978, the Director of Public Works disapproved said tentative map, based upon the aforesaid findings set forth in City Planning Commission Resolution No. 8107; and

WHEREAS, On November 9, 1978, pursuant to the provisions of Section 1333 of Chapter XIII, Part II, San Francisco Municipal Code (Subdivision Code), and Section 66452.5 of the Government Code of the State of California, the subdivider filed an appeal from the action of the Director of Public Works in disapproving said tentative map; and

WHEREAS, The Board of Supervisors set the matter for hearing on Monday, November 27, 1978; and

WHEREAS, On Monday, November 27, 1978, the Board of Supervisors continued the matter to its meeting of December 4, 1978, and it was further continued to the meetings of December 11, 1978, December 26, 1978, and January 2, 1979; and

WHEREAS, On Monday, January 8, 1979, the Board of Supervisors held a further hearing on said matter, and reviewed the appropriate legislation drafted by the Clerk in conjunction with the City Attorney; now, therefore, be it

RESOLVED, That this Board of Supervisors hereby finds that the proposed subdivision, together with the provision for its design and improvements, is consistent with the Master Plan, based upon the testimony that the subdivider would comply with the following conditions:

Condition No. 1:
The salesprogram for the project shall promote affirmative action in housing, as required by Section 1342 of the Sub-Division Code.

Condition No. 2
The present tenant or tenants at the effective date of this application of any unit to be converted or, in the event of a voluntary relocation or eviction for cause, the tenant or tenants at the date of issuance of the subdivision public report pursuant to Section 11018.2 of the Government Code, shall be given a non-transferable right of first refusal to purchase the unit occupied, as required by Section 1385(d) of the Subdivision Code and by Section 66427.1(b) of the California Subdivision Map Act.

Condition No. 3
The subdivider shall comply with any applicable temporary, permanent, and low and moderate income relocation requirements of Section 1385(e), 1385(f), and 1385(g) of the Subdivision Code.

Condition No. 4.
The subdivider shall provide tenants who wish to purchase their units a 10 percent discount on sales prices to the general public.

FINDING THAT THE PROPOSED SUBDIVISION MAP OF 6-8 LOCKSLEY AVENUE IS NOT CONSISTENT WITH THE MASTER PLAN, AND APPROVING ACTION OF DEPARTMENT OF PUBLIC WORKS IN DISAPPROVING TENTATIVE MAP FILED IN CONNECTION THEREWITH.

WHEREAS, A tentative map for a 244-unit condominium conversion subdivision, dated August 1978 was referred to the Department of City Planning for review pursuant to the provisions of Section 1325 of Chapter XIII, Part II, San Francisco Municipal Code (Subdivision Code) on the property described as follows:

WHEREAS, On December 7, 1978, after a public hearing, the City Planning Commission adopted Resolution No. 8117, finding the condominium conversion subdivision to be inconsistent with the Master Plan, as the conversion would decrease the availability of the moderately-priced rental housing stock of the City; and

WHEREAS, The Board of Supervisors set the matter for hearing on Monday, January 15, 1979, at which time the matter was continued to the Board of Supervisors' meeting of Monday, January 29, 1979; and

WHEREAS, On Monday, January 29, 1979, said Board of Supervisors heard the matter and made a determination as to findings, and directed the Clerk, in conjunction with the City Attorney, to draft appropriate legislation to implement the intent of the Board's decision, to be calendared and acted upon at the next meeting of the Board of Supervisors; and

WHEREAS, On Monday, February 5, 1979, the Board of Supervisors held a further hearing on said matter, and reviewed the appropriate legislation drafted by the Clerk in conjunction with the City Attorney; now, therefore, be it

FINDING THAT THE PROPOSED SUBDIVISION MAP OF 980 SACRAMENTO STREET IS CONSISTENT WITH THE MASTER PLAN, AND DISAPPROVING ACTION OF DIRECTOR OF PUBLIC WORKS IN DISAPPROVING TENTATIVE MAP FILED IN CONNECTION THEREWITH, SUBJECT TO CERTAIN CONDITIONS.

WHEREAS, A tentative map for a 42-unit condominium subdivision at 980 Sacramento Street was referred to the Department of City Planning for review pursuant to the provisions of Section 1325 of Chapter XIII, Part II, San Francisco Municipal Code (Subdivision Code) on the property described as follows:

980 Sacramento Street, Lot 10 in Assessor's Block 224; and

WHEREAS, On December 21, 1978, after a public hearing, the City Planning Commission adopted Resolution No. 8132, finding the condominium subdivision to be not consistent with the Master Plan, as the development would decrease the availability of the rental housing stock of the City; and

WHEREAS, On December 27, 1978, the Director of Public Works disapproved said tentative map, based upon the aforesaid findings set forth in City Planning Commission Resolution No. 8132; and

WHEREAS, On December 27, 1978, pursuant to the provisions of Section 1333 of Chapter XIII, Part II, San Francisco Municipal Code (Subdivision Code), and Section 66452.5 of the Government Code of the State of California, the subdivider filed an appeal from the action of the Director of Public Works in disapproving said tentative map; and

WHEREAS, The Board of Supervisors set the matter for hearing on Monday, January 22, 1979; and

WHEREAS, On Monday, January 22, 1979, said Board of Supervisors heard the matter and made a determination as to findings, and directed the Clerk, in conjunction with the City Attorney to draft appropriate legislation to implement the intent of the Board's decision, to be calendared and acted upon at the next meeting of the Board of Supervisors; and

WHEREAS, On Monday, January 29, 1979, the Board of Supervisors held a further hearing on said matter, and reviewed the appropriate legislation drafted by the Clerk in conjunction with the City Attorney; now, therefore, be it

RESOLVED, That this Board of Supervisors hereby finds that the proposed subdivision, together with the provision for its design and improvements, is consistent with the Master Plan, based upon the testimony that the subdivider would comply with the following conditions:

Condition No. 1:

The sales program for the project shall promote affirmative action in housing, as required by Section 1342 of the Subdivision Code.

Condition No. 2:

The present tenant or tenants at the effective date of this application of any unit to be converted or, in the event of a voluntary relocation or eviction for cause, the tenant or tenants at the date of issuance of the subdivision public report pursuant to State Law, shall be given a non-transferable right of first refusal to purchase the unit occupied, as required by Section 1385(d) of the Subdivision Code and by Section 66427.1(b) of the California Subdivision Map Act.

Condition No. 3:

The subdivider shall comply with any applicable temporary, permanent, and low and moderate income relocation requirements of Sections 1385(e), 1385(f), and 1385(g) of the Subdivision Code.

Condition No. 4:

Tenants who waive their right of first refusal and vacate their unit within the sixty days prior to March 1, 1979, or within such other period as may be determined to be mutually acceptable to the tenant and the subdivider, shall receive a relocation payment equal to 1-1/2 times the tenant's monthly rent.

Condition No. 5:

The rental rate for each apartment presently occupied by a

person or persons 62 years of age or over shall remain at the present rate for the life of each such tenant, except that the rental rate may be adjusted annually according to any change in the housing component of the Consumer Price Index.

Condition No. 6:

Each present tenant shall have the option to continue renting his unit on a month-to-month lease until January 1, 1985 with no eviction except for cause, subject to the following conditions on rent levels: Rents for each apartment other than those for the elderly covered by Condition No. 5 above, shall be determined on April 1, 1979 as the average of three independent rental appraisers. Rents for succeeding years shall be adjusted according to any change in the housing component index. Rentals determined by this method shall become effective May 1, 1979. If the fair rental value determined by the appraisers is less than the current rent, such reduction shall become effective immediately. If the appraised rental value exceeds the current rent, it will become effective May 1, 1979 except that the applicant will waive such excess until January 1, 1980. Should there be enacted any legislation effecting the conditions set forth herein, then these conditions shall be null and void.

Condition No. 7:

All tenants who vacate their units prior to April 1, 1979 will be paid the sum of $1,000.00 (rather than actual moving costs up to $1,000.00). By vacating the unit the tenant waives the right of first refusal.
